

THIS IS THE SAFETY AREA

The diagram shows a central light blue rectangle representing the active area. It is surrounded by a light pink border representing the trim area. This trim area is further enclosed by a light green border representing the bleed area. The entire layout is contained within a white rectangular frame. Four registration marks (crosshairs) are positioned at the top, bottom, left, and right centers of the white frame. Three arrows originate from the text labels on the right side: a pink arrow points to the safety area, a black arrow points to the trim area, and a green arrow points to the bleed area.

TRIM AREA (PAPER SIZE)

THIS IS THE BLEED AREA

ACTIVE AREA

4.75" x 6.5" SINGLE CARD
FITS IN A-6 ENVELOPE
