

THIS IS THE SAFETY AREA

The diagram illustrates the layout of a rack card with four distinct regions: a central 'ACTIVE AREA' (light blue), a surrounding 'TRIM AREA (PAPER SIZE)' (light pink), an outer 'BLEED AREA' (light green), and a 'SAFETY AREA' (pink) at the top. A central white box contains specific dimensions for a 'RACK CARD (SMALL)'. Four registration marks are positioned at the corners of the page.

TRIM AREA (PAPER SIZE)

THIS IS THE BLEED AREA

ACTIVE AREA

3.5" x 8.5"
RACK CARD (SMALL)
TRIM 3.5" x 8.5"
BLEED 3.75" x 8.75"
.25" SAFETY AREA
.125 BLEED
