

THIS IS THE SAFETY AREA

The diagram illustrates the layout of a 5.5" x 8.5" postcard. It features four registration marks (crosshairs) at the corners. The layout is defined by three nested rectangles: an innermost light blue rectangle for the active area, a middle light pink rectangle for the trim area, and an outermost light green rectangle for the bleed area. A pink arrow points from the text 'THIS IS THE SAFETY AREA' to the inner blue rectangle. A black arrow points from 'TRIM AREA (PAPER SIZE)' to the middle pink rectangle. A green arrow points from 'THIS IS THE BLEED AREA' to the outer green rectangle. A central white box contains specific dimensions for each area.

TRIM AREA (PAPER SIZE)

THIS IS THE BLEED AREA

ACTIVE AREA

5.5" x 8.5"  
POSTCARD  
TRIM 5.5" x 8.5"  
BLEED 5.75" x 8.75"  
.25" SAFETY AREA  
.125" BLEED
