

THIS IS THE SAFETY AREA

The diagram illustrates the layout of a 6x9 inch postcard. It features four concentric rectangular regions: a central blue 'ACTIVE AREA', a light pink 'TRIM AREA (PAPER SIZE)', a light green 'BLEED AREA', and an outermost white margin. Four registration marks (crosshairs) are positioned at the corners of the white margin. Three arrows originate from the text labels: a pink arrow points to the inner boundary of the safety area, a black arrow points to the inner boundary of the trim area, and a green arrow points to the inner boundary of the bleed area.

TRIM AREA (PAPER SIZE)

THIS IS THE BLEED AREA

ACTIVE AREA

6" X 9"
POSTCARD
TRIM 6" x 9"
BLEED 6.25" x 9.25"
.25" SAFETY AREA
.125" BLEED
